

SAMARPAN COLLEGE OF NURSING AND PARAMEDICAL SCIENCES

PROSPECTUS 2023

- **MENTOR INSTITUTE 2023** under Mission Niramaya
- **'A' GRADE INSTITUTE** by UPSMF
- **97% RATING** by Quality Control of India

Samarpan Institute of Nursing and Paramedical Sciences (SINPS) was founded by Prof. (Dr). Ram Shringar Dubey and is managed under the charitable trust of Akshaya Sewa Sansthan. Established in the year 2010, the institution is dedicated to educate and transform the young students into nursing and paramedical professionals who can effectively contribute to the rapidly growing healthcare sector.

We believe in the land-grant philosophy and its three-pronged mission - outreach that bridges the gaps in the areas of teaching and extension, research and service. Our ultimate goal is to promote competence and leadership in evidence-based healthcare practice from local to global level. We understand that learning is most effective when individual learner's needs are considered and active learner participation is facilitated. Hence, we work towards creating a conducive environment which encourages these traits.

OUR MISSION

To improve the health of the community by producing skilled professionals who excel in healthcare education, research and service.

OUR VISION

To inculcate a positive change among communities at regional and national level through world-class healthcare educational services.

5 acres of green campus

State-of-the-art Laboratories

Technology enabled Smart Classrooms

Ultra-Modern Auditorium

Key Partnerships to aid in placements

Faculty that delivers excellence

KEY HIGHLIGHTS

NOTABLE ACHIEVEMENTS 2023

- Samarpan Institute of Nursing and Paramedical Sciences (SINPS) has been recognised by the Government of Uttar Pradesh under its initiative 'Mission Niramya' as a **Mentor Institute in Nursing** in the state. This prestigious and rare achievement has been awarded to only a few institutes till date, following rigorous inspection and check protocols. Under this, SINPS will mentor selected mentee colleges towards improving their standard overall.
- SINPS has been awarded **grade A ranking** overall and for all the individual courses being offered at the institute. This ranking has been given by the UP State Medical Faculty after a Quality check done by Quality Council of India. SINPS received the **highest rating of 97%** among all the nursing colleges surveyed.
- SINPS has signed an MoU with Ebek Language Laboratories and OET (Occupational English Test) to enhance the English language skills of its students and boost their chances for global placement.
- SINPS effected an MoU with Medanta Hospital, Lucknow for its Nursing students to undergo clinical and on job training program.

Under the guidance of Dr. R. S. Dubey, Chairman and Dr. V.P.Tewari, Director, the SINPS team conducted

2 International Conferences

1 National Conference

6 National Workshops

86 National Webinars

10 Seminars

23 Faculty Development Program

Prof. (Dr). R. S. Dubey
Founder & Chairman

- Member of Governing Body, U.P State Medical Council
- Former Director & CMS of R M L Combined Hospital, Lucknow

The genesis of the Samarpan Institute began with a simple motive to contribute to the healthcare sector in India. After dedicating almost 5 decades of my life to the healthcare field, I can confidently say that careers in medicine, nursing and paramedical sciences are one of the most demanding, yet a noble endeavour. We strive to provide every opportunity to students so that they can seek educational excellence in a safe and inspired learning environment. Our highly qualified faculties provide the much desired skill, knowledge and experience to students to meet the new challenges and provide excellent service wherever they go.

The state administration is working in unison to facilitate quality healthcare education and paving the way to make Uttar Pradesh a leading hub of Healthcare Professionals. I am proud of what SINPS has been able to achieve in its journey so far and how it has emerged as one of the mentor colleges in the state for healthcare education. Our team will continue to put in the hard work to bring the best to all our students.

Under Akshaya Sewa Santhan, we continue to do our charitable work across India and 2023 also saw the inauguration of Nirmal Vidya Mandir at Bhadoi, UP. This project has been close to my heart and we look forward to continue our social responsibility towards our community.

Mrs. Nirmala Dubey
Vice Chairman

Dr. V.P. Tewari,
Director

Dr Dipti Shukla,
Principal, SINPS

Dr. Namrata Awasthi,
Chief Advisor

FACILITIES AT A GLANCE

EXPERIENCED FACULTY

Our well qualified teaching and non-teaching faculty dedicatedly work towards delivering the best learning experience.

MODERN CLASSROOMS

The college has fully furnished, well equipped and spacious classrooms and auditorium with modern audio-visual aids.

EXHAUSTIVE LIBRARY

SINPS has an exhaustive library with 3,000+ books and 30 journal subscriptions, covering all aspects of nursing and paramedical sciences.

STATE-OF-THE-ART LABORATORIES

Our spacious labs are designed as per the updated guidelines and are well equipped with simulated hospital set-ups.

FACILITIES AT A GLANCE

COMPUTER LAB

A spacious and well equipped computer lab has been set up to support the students working on assignments and research studies.

CLINICAL FACILITIES

SINPS has a 150-bed multi-speciality parent hospital equipped with all modern technology. It is affiliated to King George Medical College & Hospital, Dr. Ram Manohar Lohia Institute of Medical Sciences and Community Health Centre (Chinhat) Lucknow and other prominent hospitals in the city.

ENGAGING FIELD VISITS

The college organises industrial visits every year to research and industrial centres in and around Lucknow to help students get a deeper understanding of working in a professional set-up.

GLOBAL SEMINARS

SINPS holds virtual seminars throughout the year to give students a chance to learn from subject matter experts of international repute.

FACILITIES

We have separate hostel accommodation for boys and girls which are fully furnished and have all the amenities including a gym. We try to give students a holistic environment with mess and canteen facility, indoor and outdoor sports facilities, fleet of buses and a sprawling lawn.

CULTURAL EVENTS, SPORTS AND RECREATION

Our Student Nurse Association (SNA) body organizes extracurricular activities throughout the year. Students are encouraged to participate in sports and cultural activities. The Lighting of the Lamp ceremony is held each year to pay tribute to Florence Nightingale, the founder of modern day nursing and formally induct new students into nursing field.

ANTI-RAGGING POLICY

The campus is a strictly anti-ragging campus with zero tolerance for any ragging related activity. Strict steps are taken with immediate effect if any such activity is reported to concerned authorities.
