ABOUT US

Samarpan Institute of Nursing and Paramedical Sciences (SINPS) was founded by Dr. R. S. Dubey and is managed under the charitable trust of Akshaya Sewa Sansthan. Established in the year 2010, the institution is dedicated to educating and transforming young students into professionals who can contribute to the rapidly growing healthcare sector.

Samarpan College of Pharmacy (SCOP) was established in the year 2017. Under the Chandrawati Foundation Trust, the aim of the institution is to provide quality education and skill development for aspiring pharmacy professionals.

MISSION

To improve the health of the community by providing skilled professionals who excel in healthcare education, research and service.

VISION

To induce a positive change among communities at regional and national level through world-class healthcare educational services.

GUIDING PHILOSOPHY

We subscribe to the land-grant philosophy and its three-pronged mission - outreach that bridges the areas of teaching and extension, research and service. Our goal is to promote competence and leadership in evidence-based healthcare practice from community to global level. We understand that learning is most effective when individual learner's needs are considered and active learner participation is facilitated. Hence, we work towards creating a conducive environment which encourages these traits.

Our establishment is based in Lucknow and boasts of a sprawling campus spread across 5 acres of land, state-of-the-art infrastructure, experienced faculty, best-in-class labs and all modern amenities. We take pride in being an eco-friendly and sustainable campus.

With nearly 100% placements, R.S.D Samarpan has become a well recognised and reputed name in the healthcare education sector, within a decade of its establishment. We are proud to share that one of our pharmacy students, Mr Sumit Kumar has achieved first position the Uttar Pradesh state pharmacy exam in the year 2020.

LEADERS' CORNER

Dr. R. S. Dubey
Founder & Chairman

Member of U.P State Medical Faculty,
Former Director & CMS -
R M L Combined Hospital, Lucknow

“

The genesis of the Samarpan Institution began with a simple motive to contribute to the healthcare sector in India. After dedicating almost 5 decades of my life to the healthcare field, I can confidently say that careers in medicine, nursing and paramedical sciences are one of the most demanding, yet a noble endeavour.

We strive to provide every opportunity to students so that they can seek educational excellence in a safe and inspired learning environment. Our highly qualified faculty provide the much desired skill, knowledge and experience needed by students to meet the challenges of today and provide excellent service wherever they go. ”
